| Do you want to amend the Missouri Constitution to: Adopt Medical Expansion for persons 19 to 64 years old with an income level at or below 133% of the federal poverty level, as set forth in the Affordable Care Act; prohibit placing greater or additional burdens on eligibility or enrollment standards, methodologies or practices on persons covered under Medicaid Expansion than on any other population eligible for Medicaid; and require state agencies to take all actions necessary to maximize federal financial participation in funding mediactal assistance under Medicaid Expansion? State government entities are estimated to have one-time costs of approximately \$6.4 million and an unknown annual net fiscal impact by 2026 ranging from increased costs of at least \$200 million to savings of \$1 billion. Local governments expect to decrease by an unknown amount. |  |                                                                                                                                                                                                                                                                                                           |                    |          |          |        |        |                    |      |       |        |        |        |     |       |  |  |
